

## Where is the True Faith?

The search for truth can lead us through a number of churches and religious organizations and a long series of disappointments; it can be a confusing time.

As we study the Bibles we begin to see a picture of the "True Faith" emerge. We see the beliefs we should have, the observances we should keep, and the values we should hold, spelled out in the Sacred Word. We then seek a way to implement the practice of that "Faith". We ask; "where are the people who believe as we believe?"

Be encouraged that there are others who feel as you do. There are others who have made the commitment in their lives to walk in the Way the Bible teaches us, not bound by the walls of a Church or Assembly, but conformed to the teachings of the inspired words of the scriptures.

What Does the Bible teach us about...

## Our Search For Truth?

Part of the "Learn from the Bible" Series of Bible Study Aids

## Are you on a Search for Truth?

Each one of us comes to a place in our lives where we begin to question what we know to be true. Not that we desire to turn away from our upbringing or what we have been taught, but rather these questionings are a way through which we seek to solidify our personal understanding of matters of life, faith, relationships, and truth.

*What does the bible teach us about Truth?*

- **John 17:17** “Sanctify them in the Truth, your Word is Truth”
- **Psalm 119:160** “The sum of your word is truth, and every one of your righteous rules endures forever.

From these two passages we learn that it is the bible that holds the truth. The written word that is inspired by the living mighty one and the creator of this world, whose Name is Yahweh. His inspired word is the source of truth known as the Sacred Scriptures.

## Why do we need the instructions of the Bible in our lives?

In the Sacred Scriptures we find the eternal truths and instruction we need to overcome our own tendencies to participate in destructive activities, make wrong decisions and follow a dark path to destruction. By following the direction and guidance of the scriptures, we can be set free from the consequences of our poor choices and sinful actions.

**John 8:32** “And you will know the truth, and the truth will set you free.”

## How Far Are You Willing To Go In Your Pursuit of Truth? Are You Willing To Change Your Life?

---

If you are willing to go the extra mile in your pursuit of truth, if you desire to fulfill all the sound teaching of the Sacred Scriptures and make the necessary changes in your life to be in complete harmony with the Word, then you are prepared to begin your true journey from sin to Salvation. This is not a path where humans tell you what to believe, not an organization that picks and chooses which scriptural tenets to ordain, but a walk where you need only believe what you read in the Bible, the Eternal Word, and allow that word to light your way (Psalm 119:105).

**Do you believe in a Heavenly Father and do you know His personal Name?**

“I am Yahweh, that is my name, my Glory will I not give to another...”

**Isaiah 42:8**

*The belief in a Creator and Father is something we accept in Faith because we have no direct evidence of His existence.*

**Hebrews 11:1** “Faith is a belief in things hoped for, the evidence of things not seen.”

*If we have Faith that He exists, we must believe that He is a loving Father and that He desires for us all to succeed.*

**2 Peter 3:9** “not willing that any should perish, but that all should come to repentance...”

*Such a loving parent would provide for us a guide in order to accomplish His will, and we recognize that guide as His Word.*

**Psalm 119:105** Your word is a lamp unto my feet and a light unto my path.
