## Inspiring Feast of Weeks Observed

As each week passed by in our count from the Wave Sheaf Observance, the anticipation built towards Yahweh's next Pilgrim Feast. As the seventh Sabbath began on the evening of May 9, 2014, Yahweh's Obedient Servants came together at the Burr Oak Conference Center in Glouster Ohio to begin the 48-hour double Sabbath together with a bible reading and prayer service. The pristine beauty of the Ohio hills and quiet environs were the perfect backdrop for the tremendously inspiring gathering. With worship services on Sabbath Morning and three times on the Shavuoth High Day, the time was spent in Bible Study, fellowship, prayer, and Praise of our Heavenly Father Yahweh.

Yahweh's Assembly in Glouster, Ohio

Messages of instruction on the topics "At Sinai", "Law and Spirit", "Baptized in the Holy Spirit", and "Fulfilling the Great Commission" were brought by Solomon Meyer. On the weekly Sabbath, Brother Robert Branch brought a message on "Applying the Law in Our Lives". Brother Parkis Waterbury delivered an instruction on "Offerings to Yahweh" on the morning of the High Sabbath. A Children's Lesson

was taught on the Sabbath day on the subject of "Children of Yahweh". The Feast Observance was closed with a service of singing, scripture reading, and prayer. Too quickly the sun was seen sinking below the Western horizon. Everyone in attendance was reluctant to leave, but all departed filled with the appreciation for Yahweh's Blessing of an inspiring feast observance. May Yahweh Be Praised!

## First Pamphlet in the "Learn From the Bible" Series Released

At the Feast of Weeks observance, the assembled brethren were pleased to receive the first copies of the new "Learn From the Bible" series of pamphlets. Beginning with the template question "What Does the Bible Teach Us About...", the first article is titled "Our

Search For Truth". Intended to be a tool for witnessing our faith in the inspired truth of the Sacred Scriptures, the pamphlet is written with the intent of being a conversation starter and is presented in an attractive format sure to get the attention of those who are on their own jour-

ney for Truth. Filled with scriptures, lessons and questions, the LFTB pamphlets are available by request from the Yahweh's Obedient Servants Ministry office. Look for "**Praying in Faith**", the next pamphlet being completed for release this month.

## Special Feast of Weeks Recordings Available

Recordings were made of all the services at the recent Feast of Weeks Observance and are now available on Disc in either CD or MP3 format. A single MP3 disc contains all of the messages from the weekend observance, while a four CD set contains the recordings in CD format. These can be ordered from the Ministry office at your convenience. All the sermons are also available on the Yahweh's Obedient Servants Ministry page at box.com and will be featured

on the new bible study material download portal on the soon to be launched [www.learnfromthebible.org](http://www.learnfromthebible.org) website. A diligent review of the recorded sermons provides hours of extended bible study and an opportunity to extract the lessons brought forth at the Feast of Weeks and week by week on Yahweh's Sabbath day. Additionally, Yahweh's Obedient Servants Ministry has launched a lending program for various devices to allow those who may not have a CD or MP3 player or

internet streaming device available to access this material. All recorded and printed materials produced by YOSM are presented free of charge and without obligation. Our mission is to bring light to this world, and we recognize that light as the Word of Yahweh, read and discussed with understanding and presented in sound teaching. Be sure to take advantage of these resources to further your own Bible Study!

## YOSM Business Cards a Great Tool For Witnessing

In many circumstances, we often only have a few seconds to place in the hands of an inquirer after Truth a resource that will enable them to continue their contact and pursuit of Bible learning. The new business cards from Yahweh's Obedient Servant's Ministry may be just the piece that helps fill that need. A very cost-effective resource, the card can be circulated to those who ask after the

Truth we find in the Bible as well as left in areas commonly available for similar information (bulletin boards,

waiting areas, etc.) Containing contact information for the Ministry office, the Ministry email and website addresses, as well as some thought provoking questions and information on additional study materials, the business cards are designed to be a conversation starter and to open the door of interest in those who come across them. Cards are provided free of charge from the YOSM office. Countertop displays, bulletin board holders, and card carriers should be available soon through the website. Be sure to obtain your supply today and start spreading the Good News of the Kingdom to come!

## New Ministry Website is Prepared for Debut

Many hours of work and effort have gone into the preparation of the new Ministry website [learnfromthebible.org](http://learnfromthebible.org). Recently, the first completed screens were shared with the brethren and all were impressed with the progress and rejoiced at the potential opportunities to use the site as a tool to complement our efforts to witness the Truth of the Bible. The website should be fully online before too much of July has

passed and everyone who has seen the site is confident it will be a help to all who visit. In order to properly introduce all the aspects and capabilities of the site, the YOSM staff is preparing a "tour" presentation that will be linked prominently on the front page to guide new visitors through the site. Let us all thank Yahweh for this progress in the Ministry!

## Feast of Tabernacles 2014 Planning is Well Underway

Following the Feast of Weeks, Deacon Solomon Meyer travelled to the location planned for this year's Feast of Tabernacles to review the facilities and complete the registration process. A beautiful site was selected for the Tabernacle Tent as well as camping accommodations for all those who plan to attend. With paved parking, electric service, and conveniently located restroom and shower facilities, Yahweh has Blessed us with a very serviceable facility. Recreation facilities, camp supplies, and a beautiful lake are just steps away from the camping area. In order to secure the best rate, Yahweh's Obedient Servants Ministry

has reserved a block of sites in the area immediately surrounding the planned location of the sanctuary tent. With the sites already reserved, there is no need to make individual arrangements with the camp. There are plenty of additional sites available as more families commit to joining us for what we know will be an inspiring and uplifting Feast to Yahweh. A Feast Observance planning conference call is scheduled for the evening of the first day of the week on July 27th, 2014. Be sure to join us for this informative session as we complete the plans for the eight day observance. Won't you plan on joining us at

the Feast? Contact the YOSM office directly for all the camp and facility information and to indicate your plans to join us at this year's Commanded Observance. See you there!

## Being an Effective Witness - Introducing a new monthly feature in "Walking"

For those who have found the Truth contained in the Sacred Scriptures, there is an ongoing desire to witness that truth to those we encounter day by day. This desire to bring the light of truth to others is central to our mission here at Yahweh's Obedient Servants Ministry and central to the commission Yahshua left for his disciples (Matt. 24:14, 28:19-20). For many of us, we struggle with finding the most effective way to bring that witness to those we encounter day by day, and

in a larger sense we feel unprepared to bring the witness to the whole world as Yahshua commanded us. Whatever our level of Scriptural knowledge, witnessing experience, or ability to speak with strangers, we have all found that being an effective witness is not an easy task. There is much to consider when we engage someone who shows an interest in Bible truth. Trying to balance between the zeal we have for the great gift of Truth we've discovered with a desire

to not come on too strongly to someone who may have only a casual interest is perhaps most often the most difficult task. Remembering that it is Yahweh Himself who calls people to His Truth helps us to understand our role as "sowers of seed". Starting next month "*The Effective Witness*" will be a regular feature in the *Walking* publication and will feature instruction on how best to be that "sower". Look for this new monthly feature as we continue to send forth Yahweh's Truth!

## Sixth Year of the Sabbatical Cycle Nears Completion

It's hard to believe that the Sabbatical year is now only a few weeks away. As willing servants to Yahweh, it is our desire to show our love to Him through obedience to His commandments. Commanded in Leviticus 25, Deuteronomy 15, and other passages, the Sabbatical year plays a vital role in Yahweh's economic and agricultural systems. In order to best keep this required observance,

Followers of Truth make every effort to uphold the scriptural instructions to allow a seventh-year rest for their land (farms, fields, and gardens) as well as to avoid consuming the harvested foods grown during the restricted time. As with many of Yahweh's Laws, the casual observer may think it too difficult to observe the Sabbatical year and may turn away to excuse-making and denial, but

those who have been diligent in learning and applying the Law have come to know that there is a blessing in its keeping. Beginning next month, *Walking* will feature a new column titled "*Sabbatical Sense*" to encourage each one of us to better understand the requirements of this important law of Yahweh and to aid all in their efforts to build our food stores in anticipation of this observance. Look for this informative and helpful series beginning in our next issue!

## Praises, Prayer Requests and Helps

**This Month, with a united voice, we lift up before the Throne of Yahweh the following:**

- Praise that Yahweh has called us out of sin and darkness and shown us the Light of His Word
- Our government leaders, representatives, and officials that they will continue to preserve our nation and peace so that we can freely practice the Faith we hold dear in our heart as well as accomplish the unfinished work of Yahshua's Ministry.
- Brother Terry Cassidy and the men of the Assembly at the Snake River Correctional Institution, let us pray that Yahweh will help them in their spiritual work of faith and learning.
- Our new brethren in Africa, that Yah-

weh will bring an understanding of His ways to them and allow us to continue to be a help to them.

- All of the families of Yahweh's Assembly, that Yahweh will guide Brothers and Sisters to form strong marriages and establish homes of love, that He will help the parents in their work to nurture and raise their children to come to know and love Him as they do, and especially for the children, that Yahweh will be a light in their lives and keep His protection upon them, sparing them from the temptations of this world.
- Sisters Charlene McDaniel and Ruby Wallace, as well as any others among us who are suffering physical, temporal, or spiritual difficulty; that Yahweh will bless them with comfort and healing.
- Deacon Solomon Meyer and the Meyer family, that Yahweh will provide guid-

ance for them in their work of service for the Ministry.

- Those who have suffered the loss of loved ones in whatever manner, that their hearts may be healed.
- Special prayer that Yahweh will call forth out of darkness, confusion, and sin those who are seeking Him, that He spare them from oppressive situations and shine the light of His Word into their lives.
- Praise that Yahweh has provided the resources for the Ministry of His obedient servants to move forward in a bold way.
- We pray that Yahweh will soon send His son our King Messiah Yahshua to establish righteous rule here on earth.
